

**University of Michigan • Department of Political Science
Minor Checklist**

Instructions: The following form is used to provide a quick overview of a student's progress towards the degree. This can be used to provide students with an overview of their coursework, as well as serve as a foundation for further discussion with a concentration advisor.

Prerequisites: Freshmen and Sophomores should complete their prerequisites at the 100-level. Juniors and Seniors who have not yet completed their prerequisites in the major should take the 300-level courses listed. **Only two prerequisites are required for the minor.** AP credit is accepted as fulfillment of one or two prerequisites, depending on the AP exam.
